Seeking F/T Physical Therapists for New Location

After 21 years of professional and compassionate service, we are expanding our practice and adding a new location in South Mercer Island (Opening in July). We are seeking Physical Therapists with a commitment to the profession of physical therapy and a strong interest in promoting its continued growth, success, and value. A minimum of 2 years of physical therapy experience is preferred (new grads are welcome), a knowledge base in the MSI theory preferred.

Our clinical staff are trained/mentored in the Movement System Impairment (MSI) as a foundation, along with many other paradigms such as McKenzie, Postural Restoration, and Thoracic Ring Approach. We spend 60 minute 1:1 sessions with our patients with focus on diagnosis and treatment of movement impairment syndromes augmented by manual therapy and therapeutic exercise.

Highlights of our work environment include:

- *Comprehensive benefits package including medical, dental, vision, & paid time off
- *Simple IRA w/ Company Match
- *Continuing Education Reimbursement
- *Competitive Salary to Visit Rate Compensation
- *Mentoring in the Movement System Impairment Paradigm
- *Mentoring and Clinical Instructor Opportunities
- *Flexible work schedule
- *60 minute physical therapy sessions with 1:1 ratio
- *Rotations/Schedules available for both locations
- *Fun atmosphere with people who are inspired by what they do

To apply for this fantastic opportunity, email your resume with cover letter and salary history,
